*The Materials Genome Initiative (MGI) is a U.S. Federal government multi-stakeholder initiative to develop an infrastructure to accelerate and sustain domestic materials discovery and deployment in the United States. MGI is distinct from "Materials Genome", which is a registered trademark of MaterialsGenome, Inc. (a Pennsylvania Corporation). The use of the term "Materials Genome Initiative" is not intended to serve as an endorsement of or an association with the trademarked term "Materials Genome.?"
